## ESKO PIHA SAFETY SPEC

### E7210

A perfect fusion of performance and vibrant style, ideal for on-the-job and those weekend escapes.

Piha safety specs are designed to provide enhanced clarity, UV protection, reduced glare, anti-fog technology—all coupled with serious comfort.

Clear lenses (Standard I O) feature blue-light blocker to reduce eyestrain from screen use.

Certified Medium Impact Protection (AS/NZS 1337.1:2010). These protectors are intended for indoor and outdoor use where no optical radiation hazards exist other than solar radiation. They are intended to provide adequate protection against ultraviolet radiation from the sun, but are not intended to provide protection against sunglare.

Both the frames and lenses are crafted from 100% recycled plastic! – Looking cool while reducing ocean plastic pollution.
