ESKO SUMNER SAFETY SPEC

E7230

A perfect fusion of performance and style, ideal for on-the-job and those weekend escapes.

Sumner safety specs are designed to provide enhanced clarity, UV protection, reduced glare, anti-fog technology—all coupled with serious comfort.

Smoke lenses (Standard I 3) cut UV glare and eyestrain. Certified Medium Impact Protection (AS/NZS 1337.1:2010). These protectors are intended for outdoor use where no optical radiation hazards exist other than solar radiation. They are intended to provide adequate protection against sunglare and ultraviolet radiation from the sun.

Both the frames and lenses are crafted from 100% recycled plastic! – Looking cool while reducing ocean plastic pollution.
